JEON PIPE NO STONE FOUND

I set this pipe in 1980. It lies on a property line between 2 cultivated fields. The distance of 5.43 chains agrees with the old survey notes and also fits fairly well with the south bound fence on the quarter-quarter line. J. H. B.

SEAL

I, Joe H. Bennett, a registered land surveyor in the State of Indiana, do hereby certify that I did set a pipe at the location shown above and that to the best of my knowledge and belief the distances shown are true and correct.
